Carmel Jones, David Blake and Malcolm Corner

Minutes from previous December 2019 meeting - only sent out 3/2/2020

Matters Arising - None

Attendees

Dean Hawkins, John Bygrave and Roy Pollard

Correspondence - None

Secretary Report - None

Interim Treasurers Report - by John Bygrave

I have been fairly busy this month, taking quite a lot of phone calls about our fisheries, day and guest tickets. I managed to answer all the questions.

I phoned up a chap, Anthony Moyle who said he would bailiff a couple of days a week at Stew Pond before Christmas, and he said he was still willing to do it. I suggested he came along to a meeting at the centre to which he agreed, it has been suggested that we ask him to the AGM, I think that is probably a good idea and I will see if he can make it.

I have amended the club books for next season and sent them to the printers, we may have some problems as my contact has left the company, but I hope I have sorted it out!

As our finances are reasonably secure, I have decided to keep all our prices the same as they have been for the past few years. I am still trying to get books ready for accountant.

I will finish my report by nothing regarding finance but just to report the sad news, our ex secretary and current web master Malcolm Milford-Scott passed away Saturday evening the first of February 2020.

Fisheries Report by Dean Hawkins

My report begins with the work party dates for 2020, which are as follows: Saturday 28th March - Yalding Two Fishery, Thursday 2nd April - River Mole Fishery, Wednesday

8th April - River Kennet Padworth Fishery, Saturday 25th April - Manor Pond Fishery, Friday 29th May - River Mole Fishery, Saturday 6th June - River Kennet Padworth Fishery. I have added midweek days again this year, because last year they were as well attended as the Saturday work parties. I have purchased the Brushcutter attachment for the Honda Versatool, and a set of Wolf Garton loppers, to help make the bank side work easier and more enjoyable! The other thing I have to report this month is I am hoping, some very good news for CALPAC members. I have found out that 3000 Barbel were recently stocked into the lower Kennet by the Environment Agencies Calverton Fish Farm. I am just waiting to confirm the exact location of where the stocking took place. I am hopeful that it was either our fishery at Padworth or the Upper Benyons fishery which is downstream of our fishery. This was part of the EA's drive to boost the declining Barbel population in the River Kennet. I will update the committee on the location of the stocking, once I have it to hand.

Competition Secretary - No Report

Membership Secretary - No Report

Meeting closed at 8.40pm by John Bygrave

Next Meeting (AGM) 30th March 2020 at 8pm

Venue: The Thomas Wall Centre, 52 Benhill Avenue, Sutton, Surrey. SM1 4DP
